

Sec. 2-4-2 Zoning Board of Appeals.

(a) **Establishment.** A Zoning Board of Appeals shall be appointed and governed by the State zoning enabling law as contained in Sec. 62.23, Wis. Stats., the Village Zoning Code and ordinances and this Section. The laws of the State or Village and local ordinances shall prevail in that order. The Zoning Board of Appeals shall consist of five (5) members and two (2) alternate members, appointed by the Village President subject to confirmation by the Village Board, for a three (3) year term of office. The members shall be removable by the Village Board for cause upon written charges and upon public hearing. The Village President shall designate one of the members chairman.

(b) **Powers.** The Zoning Board of Appeals shall have the following powers:

- (1) To hear and decide appeals where it is alleged there is error in any order, requirement, decision or determination made by an administrative official in the enforcement of any Village Zoning Code or any ordinance adopted under Sections 62.23, 61.35 or 62.231 (wetlands), 87.30 or 144.26 (flood plains) or Chapter 91 (farmland preservation), Wis. Stats.
- (2) To hear and decide special exceptions to the terms of the Village zoning and floodplain zoning regulations upon which the Board of Appeals is required to pass.
- (3) To authorize, upon appeal in specific cases, such variance from the terms of the Village zoning regulations as will not be contrary to the public interest, where owing to special conditions, a literal enforcement will result in practical difficulty or unnecessary hardship, so that the spirit of the Zoning Code shall be observed, public safety and welfare secured and substantial justice done; provided, however, that no such action shall have the effect of establishing in any district a use or uses not permitted in such district. The Zoning Board of Appeals shall not grant use variances in floodplain or wetland and conservancy districts. In all other districts, no use

variance shall be granted unless the applicant has first petitioned for a zoning amendment or a conditional use permit, if applicable, and upon a showing that no lawful and feasible use of the subject property can be made in the absence of such variance. Any use variance granted shall be limited to the specific use described in the Board's decision and shall not permit variances in yard, area or other requirements of the district in which located.

- (4) To permit the erection and use of a building or premises in any location subject to appropriate conditions and safeguards in harmony with the general purposes of the Zoning Code, for such purposes which are reasonably necessary for public convenience and welfare.
- (5) The Zoning Board of Appeals may reverse or affirm wholly or in part or may modify any order, requirement, decision or determination as in its opinion ought to be made in the premises. The concurring vote of four (4) members of the Zoning Board of Appeals shall be necessary to reverse any order, requirement, decision or determination appealed from or to decide in favor of the applicant on any matter on which it is required to pass, or to effect any variation in the requirements of the Zoning Code. The grounds of every such determination shall be stated and recorded. No order of the Zoning Board of Appeals granting a variance shall be valid for a period longer than six (6) months from the date of such order unless the building/zoning permit is obtained within such period and the erection or alteration of a building is started or the use is commenced within such period.
